New Garbage Cart Schedule

Effective Sept. 3, 2018

A new Garbage Cart pickup schedule will go into effect the week of Sept. 3, moving cart collection to Wednesday/Saturday.

Cart Service

The week of Sept. 3, you will receive garbage cart service on:

- Monday the 3rd,
- Wednesday the 5th and
- Saturday the 8th.

Following that week, service will be on **Wednesday/Saturday**.

As always, please place your carts out at the street **the night before** collection, as the truck will come directly to Sugar Mill in the mornings.

Other cart tips:

- o Have the cart in the curb or street with the handles facing your house. This helps to empty the cart and prevent lid damage.
- o Do no overload your cart to help prevent spillage. Close the lid.
- o Please bag your garbage to help prevent windblown litter.
- o Please place multiple carts at least three feet apart and away from mailboxes or poles.

Recycling Service

Recycling collection day **will remain Wednesday**.

Bulky Trash Service

Bulky trash and out of cart contents collection **will start the first Monday morning of the first full week of the month**. Please have your bulky trash out on Sunday night, as collections begin early in the morning and can occur any day of the week.

Please contact 225-336-2406 if you have any questions.

The Parish website www.wbrcouncil.org also contains valuable information on recycling materials not included in the cart program.
