

Announcing a Special Opportunity to Serve Your Community

The W. Baton Rouge Parish Library has partnered with Capital Area Asset Building Coalition to provide free income tax preparation service for the low-to-moderate income. We are looking for individuals who have a desire to serve their community. Taking a basic tax law course and having minimal computer skills will qualify you to be a valuable part of the Volunteer Income Tax Assistance (VITA) Program. Training will be provided by the Capital Area United Way and the Internal Revenue Service.

Contact Diane Denton at 225-241-5161, if you are interested.
