3/19/2020**

**Confirmed 7 positive cases and 1 death related to COVID-19 in West Baton Rouge Parish**

**If you are feeling ill contact your medical professional.**

West Baton Rouge Government is reminding all citizens to remain vigilant during the COV-19 (Corona) virus public health issue.

Preventing the spread of this virus and other viruses is a community-wide responsibility.

- Wash your hands with soap and water for at least 20 seconds.
- Cover your mouth or nose with a tissue when you cough or sneeze, or cough and sneeze into your upper arm, not your hands.
- Clean frequently touched surfaces with regular household cleaning sprays or wipes.
- Use hand sanitizer with at least 60% alcohol.

This is an evolving situation, so information is likely to change on a hourly basis

**LA state wide 211 network is now answering calls about COV-19, Corona Virus. This network is best designed and staffed to answer all questions about the virus.**
