5/7/2020

- **Due to the large volume increase throughout WBR Parish of bulk debris, West Baton Rouge Parish will be assisting Republic Services in removing the curbside debris.**
- **We ask that all residents separate vegetation from other bulk debris such as mattresses, old furniture, white goods, etc. This will help expedite the pickup and reduce the amount of trips to the landfill.**
- **We ask for your patience with delays in bulk pickup as we continue to work with Republic Services to handle the increased volume.**

Help Keep West Baton Rouge Beautiful!
